Live in the Rhondda Fach? Save money on your bills

Dŵr Cymru Welsh Water

Did you know that heating water is a big part of your energy bill?

By booking your free water audit, you can save water and money – whether you're on a water meter or not. The offer is all part of our Rhondda Fach project.

You've probably noticed that Welsh Water is busy upgrading the water pipes from Maerdy down to Pontypridd, to give you clean, fresh water for years to come. But while we're in your community, we're going to be doing a lot more too – like this offer of a free audit and water-saving freebies.

What will happen?

One of our friendly engineers will visit your home and check that your water appliances are as efficient as possible. We'll then see if you could benefit from a selection of free products – from shiny new shower heads to water efficient tap fittings to help you save water, energy and money.

How do I book?

Email your name and address to **waterdemandwales @dwrcymru.com** and we'll be in touch to arrange a suitable time or give us a call on **01792 841 003**.

Welsh Water will use your email address to contact you to arrange a suitable time.

Should you choose not to have a free water audit, we will not contact you again regarding a water audit without your consent.

RHONDDA FACH COMMUNITY PROJECT

Byw yng nghwm Rhondda Fach? Arbedwch arian ar eich biliau

Dŵr Cymru
Welsh Water

Oeddech chi'n gwybod bod cynhesu dŵr i gyfrif am ran fawr o'ch bil ynni?

Trwy drefnu archwiliad dŵr rhad ac am ddim, cewch arbed dŵr ac arian – dim ots a oes gennych fesurydd dŵr ai peidio. Mae'r cynnig yn rhan o'n prosiect Cwm Rhondda Fach.

Byddwch chi siŵr o fod wedi sylwi bod Dŵr Cymru'n brysur yn uwchraddio'r pibellau dŵr o'r Maerdy i lawr i Bontypridd er mwyn darparu dŵr glân a ffres ar eich cyfer am flynyddoedd i ddod. Ond tra'n bod ni yn eich cymuned, byddwn ni'n gwneud llawer iawn mwy hefyd – fel y cynnig hwn i ddarparu archwiliad a nwyddau arbed dŵr am ddim.

Beth fydd yn digwydd?

Bydd un o'n peirianwyr cyfeillgar yn galw heibio i'ch cartref i wneud yn siŵr bod eich holl offer mor effeithlon â phosibl yn eu defnydd o ddŵr. Wedyn byddwn ni'n gweld a allech chi elwa ar gynnyrch am ddim – o bennau cawod newydd sbon i offer effeithlon i osod ar eich tapiau i'ch cynorthwyo i arbed dŵr, ynni ac arian.

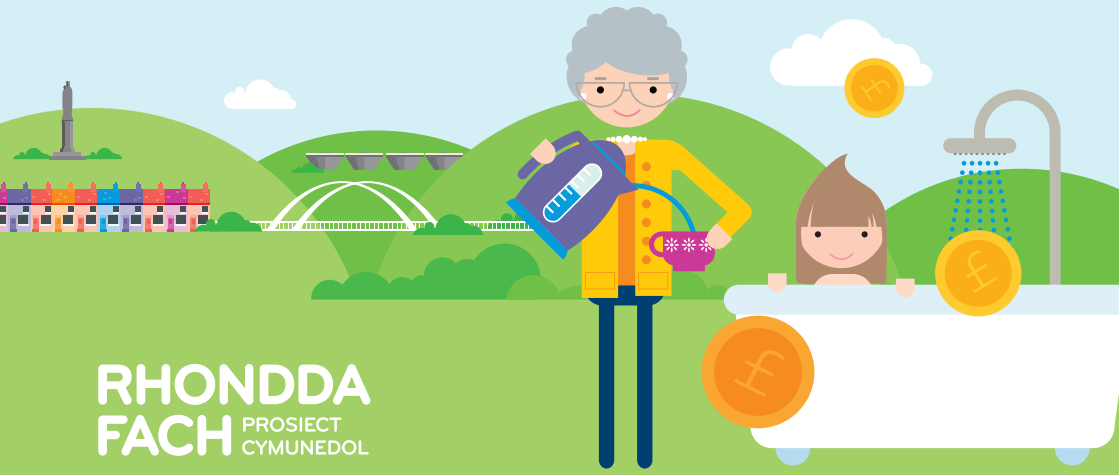

Sut mae trefnu archwiliad?

E-bostiwch eich enw a'ch cyfeiriad at **waterdemandwales@dwrcymru.com** a byddwn ni mewn cysylltiad i drefnu amser addas, neu rhowch alwad i ni ar **01792 841 003**.

Bydd Dŵr Cymru'n defnyddio'ch cyfeiriad e-bost i gysylltu â chi i drefnu adeg gyfleus.

Os dewiswch chi beidio â chael archwiliad dŵr am ddim, ni fyddwn ni'n cysylltu â chi eto am archwiliad dŵr heb eich caniatâd.
